

Stefan van de Sande

MOON LIGHT TOUR 2019 & 2020.

Troubadour & Songwriter Stefan van de Sande (NL) is on tour again!

With his brand new album "Moon Light" and an old car loaded with guitars and tents, Stefan is touring across Europe in 2019 & 2020.

Described as a 'good guy' and a healer through his songs. A man with a passion for music, nature and people.

On stage he is simply himself - authentic, vulnerable and performs straight from his heart into the heart of his audience. With guitar, blues-harp, a velvet voice and his desire to share what is given he creates an atmosphere of dreamy scenery's. The listener travels unnoticed to distant places where one experiences what the troubadour has seen and felt.

A concert with this Stefan is more than just music and songs. It is an event where music and personal stories give you an unforgettable experience.

QUOTE:

"Go and see him - you'll be glad you did." (Mike Donelli, Newcastle upon Tyne)

QUOTE:

"Moon Light" is a poetic guitar/ukulele folk music masterpiece. Think in terms of clear, simple, innocent, heart chakra openings throughout the 16 folk songs pulsing and sung with disarming vulnerability and integrity. (Bob Shiel, Chicago)

QUOTE:

This album, like your previous works, is one of healing and enlightenment and I am grateful for Troubadours such as you Stefan who kindly share your deep and meaningful thoughts and music around the world. (Maria D'Alessandro, Melbourne)
